

# mineral fusion™ cosmetics

Elements from the earth create a synergy where beauty and skincare become one. mineral fusion™ cosmetics offer flawless coverage while providing the benefits of UV protection.

A combination of antioxidants including **White tea**, **Red tea**, **Antileukine 6®** and **Pomegranate** make up the perfect **WRAP** of protection to help fight free-radicals and prevent premature aging of the skin.

Using only natural preservatives, mineral fusion™ cosmetics are noncomedogenic and can provide the skin with healing and calming benefits.

**Available at Whole Foods Market**
